**REMINDER TO THE STUDENT:** Review your Academic Requirements (AR) report carefully every semester to make sure that you are making good progress towards graduation and that you are fulfilling all degree requirements. You are responsible for the area requirements in effect the semester you declare the minor. They are listed in the *Undergraduate Record*. If there are discrepancies or if you have questions regarding your AR report, see the College Registrar promptly. Questions about minor requirements should be directed to the department/program. ALL COURSES TAKEN TO SATISFY COMPETENCY, AREA, MAJOR AND MINOR REQUIREMENTS MUST BE TAKEN FOR A GRADE (NOT Credit/No Credit).
